**Susan Teoh**

*Director, Information Services, ISIS Malaysia*

**D**ato' Dr. Mahani Zainal Abidin was a well-known economist and a respected academic. During her 30 years in public service as professor, senior policy-maker, government advisor, and finally, as chief executive of Malaysia's leading think tank, she has written a long list of high quality and well-read publications and other written work. She was also often invited to speak at conferences and to address scholars, the business fraternity and students. She was sought after by the media, and frequently appeared on television and the radio.

*This bibliographic listing is representative of her life-long love and devotion to advancing the field of developmental economics.*
